

Language of kingdom

Kingdom of light and kingdom of darkness

Colossians 1:12-13

always thanking the Father. He has enabled you to share in the inheritance that belongs to his people, who live in the light. 13 For he has rescued us from the kingdom of darkness and transferred us into the Kingdom of his dear Son, 14 who purchased our freedom[d] and forgave our sins.

We have all done wrong, we all deserve to die for our wrong we were all in kingdom of darkness and separated from god in kingdom of light.

Jesus took our place and died instead of us, he rose again to overcome death and transfer us from kingdom of darkness to kingdom of light. with god

You can tell where people are from by the language they speak

There is Language in kingdom of God and in kingdom of darkness. People can tell which kingdom we are from and which kingdom we are going to by the language we speak.

How should they speak in each kingdom, imagine one day of conversations in each kingdom what words are said? Also think of what's said in heaven for kingdom of light and what's said in hell for kingdom of darkness

What is the reality if the language of the kingdom of light. Often I find there is praise but also mixed with moaning and groaning and complaining, its like we speak a mixed language of kingdom of light and kingdom of darkness.

Luke 6:45

A good man out of the good treasure of his heart brings forth good; and an evil man out of the evil treasure of his heart[a] brings forth evil.

For out of the abundance of the heart his mouth speaks.

Romans 8:28

And we know that God causes everything to work together for the good of those who love God and are called according to his purpose for him.

If you can now imagine the two kingdoms as armys. How would you know which army had won and which had lost if you observed both armies language both body language and words.

Jesus has won the victory for those in kingdom of light and he has perfect plans for us plans for a hope and future. He works all things for our good!

What kingdom are we apart of a victorious kingdom of light or a defeated kingdom of darkness?

We are called to praise, encourage, be uplifting, not to complain, moan and groan. I catch myself doing this several times a day particularly joining in with others at work who are still in kingdom of darkness. I catch myself and have to stop it as that's not my language my language is and should be one of praise

to be clear we are still honest about things that are difficult, when life is tough, we can even question god, David did this in the psalms however we should always praise god.

So lets speak our language the kingdom of light language- use Romans
